

# ALL IN

## TO BECOME A SOCIAL WORKER AND STRENGTHEN YOUR COMMUNITY.

Do you want to follow your calling to make a positive impact? Earn your bachelor's degree in social work!

This program is rooted in community action. You'll gain hands-on experience from professors who care about your success. Faculty teach in the holistic "Person-In-Environment" perspective. You'll learn to meet people where they are emotionally, socially, spiritually, and physically.

You already have the heart and calling to make a difference in the lives of others. Supportive faculty will partner with you to grow your skills and earn your degree.

### HIGHLIGHTS

- Flexible formats designed for working adult learners
- Individualized practical learning experiences through fieldwork opportunities
- Personalized academic and fieldwork support from faculty
- Opportunities to earn credit for life/work experience

### OUTCOMES

- Strong job placement opportunities due to national shortage of social workers
- Graduates will be grounded in the "Person-in-Environment" perspective whether they are working with individuals, families, groups and/or communities.
- Successful graduates will be well positioned to enter into the Master of Social Work Program as an advanced standing candidate, completing your MSW in only 11 months
- Overall employment of social workers is forecasted to grow 12% between 2020 and 2030, much faster than the average for all occupations\*
