

ALL IN TO UNLOCK YOUR POTENTIAL

Discover your love of learning and go all in. Dive into a vibrant world of film, music, art, ethics, and history. Whether you have zero credits or a few semesters' worth, this degree is the key to continuing your education and advancing your career.

Refine your critical thinking, enhance your cultural intelligence, and develop a well-rounded foundation of transferable skills. Boost your confidence and earning potential. Learn from professors who care about you as a person. Accomplish all of this while continuing to work.

You already have the passion and dreams. Now you just need your degree.

HIGHLIGHTS

- All of your core classes are textbook-free
- Online courses and resources will fit into YOUR schedule
- You may start this program if you have 0-36 transferable college credits
- Opportunities to earn credit for life/work experience (such as military transcripts or professional licenses and certifications)
- Receive a personalized and detailed path to graduation

OUTCOMES

- On average, people with associate degrees earn 13% more per year than people without
- Easily transfer into one of our bachelor's degree completion programs
- Rekindle your love for learning while honing transferable skills
- Unlock opportunities to advance your career
- Study alongside and learn from professionally and personally diverse classmates
